Directions to Phil Moore Park:  
 Take exit 22 off I-65 and turn left toward Greenwood High School. It is 3 miles past Greenwood High School on the right(main entrance). Only buses can enter main entrance, see parking instructions below.

Parking:  
 Parking will be available in the fields opposite the main entrance and across Scottsville Road for spectators. Spectators can safely cross to tent city by going under overpass in the park versus trying to dash across the very busy Scottsville Road.
